

## **Brannel School visits ShelterBox to hand over £1,180 donation**

**Young fundraisers from Brannel School, St Stephen, were given a VIP tour of ShelterBox HQ this week**

Christmas may be a distant memory, but pupils from Brannel School brought some late seasonal cheer to disaster relief charity ShelterBox this week. They made a donation of £1,180, collected during their Christmas Fayre.

The visitors on Tuesday 14 June were a mix from years 7, 8 and 9, and their host was Andrew Bayley, who showed them around the ShelterBox warehouse where aid is packed to be sent to disaster zones and conflicts worldwide. They examined the lifesaving equipment close-up, and had a briefing on ShelterBox's current deployments. Andrew commented that they were an interested group, with questions from all students.

At their Christmas Fayre each tutor group had a stall which ranged from selling mince pies, handmade Christmas decorations, gifts, tombola, crepes, a hamper raffle - and a new twist on the traditional Santa's Grotto – take a selfie with Santa!
