SHELTERBOX YOUTH EXCHANGE CHALLENGE GEAR

YEX DISTRICT HANDBOOK

INTRODUCTION

The Rotary Youth Exchange Program is a fantastic opportunity for young people to immerse themselves in another culture, make lifelong friends and develop a deeper understanding of our world and global community. If you've embarked on this incredible program, you've begun a life changing journey which you will remember forever.

As a Rotary Project Partner ShelterBox is thrilled to be involved with this amazing program. We've provided disaster relief aid for people affected by disasters in countries all over the world and our experiences have made us fully recognize the benefits of discovering and understanding other cultures.

THE CHALLENGE

The ShelterBox Youth Exchange Challenge is an exciting opportunity for participants of the program to develop many personal skills all while supporting a Rotary Project Partner and make a real difference to communities across the globe who have lost everything. The challenge is simple:

Spread the word: Give a presentation on ShelterBox. This could be to your host Rotary Club, a school, or a group such as Scouts.

Fundraise: Fundraise for ShelterBox. Any amount will help contribute to needed ShelterBox aid that will help ensure no family goes without shelter.

Every student who participates in the ShelterBox Youth Exchange Challenge will receive a certificate of completion!

TAKING PART AND MAKING A DIFFERENCE

By supporting ShelterBox as part of your exchange program, students will be helping us ensure that no family goes without shelter after a disaster. The donations that we receive from young people embarking on this adventure will fund ShelterBox aid for years to come.

Work with the team at ShelterBox to set up a fundraising page for your team. Set goals, track your progress and make a real difference!

SUCCESS STORY

In 2016 the Youth Exchange Students in District 5360 in Alberta, Canada, held a dinner where they invited local community members and Rotarians. They raised over \$27,000 for ShelterBox in one evening!!

Join the ShelterBox Youth Exchange Challenge and challenge your students to come together to hold a car wash, international dinner or other event that requires team work and leadership.
