STUCK FOR IDEAS? DON'T WORRY

First, form a core group, then think about your club and wider community, what they enjoy and the skills and resources you have available. We've pulled together a selection of ideas below to get your minds working.

Shine for ShelterBox

Estimate £590 (one box)

Every winter, ShelterBox invites people to come together to share food and fun. Whether you hold a fundraising dinner with your club or a lunch at work, you'll be changing lives with every bite.

Tea party

Estimate £165 (three water filters)

Invite everyone for tea with a spread of sandwiches, cakes and scones. Then book a ShelterBox speaker to bring our story to life for you.

Local treasure hunt

Estimate £385 (one tent)

Create a list of local landmarks, find out interesting facts about them and pull together a list of clues that will help participants make their way around your town, village or city. Charge people to take a clue sheet and have a prize for the first 50 people to take part.

Auction

Estimate £590 - £1,180 (one to two boxes)

Approach local businesses for items you can auction, ask local celebrities to send you items or try an auction of promises that draws on the skills of your members. For a traditional auction you'll need an event space, bidding paddles and someone to host. Or you could try a silent auction with sealed bids.

Gig or concert

Estimate £700

(100 - 200 high thermal blankets)
Maybe you have budding musicians in your club and could sell tickets to a gig or classical concert. For more information see our 'How to run an event' document.

Quiz night

Estimate £590 (one box)

Everyone loves a quiz. You'll need a space and some questions and you're good to go. Charge teams to enter and think about holding a half time raffle to boost funds.
