# FUNDRAISING IDEAS FOR YOUR UNIVERSITY GROUP

Think about your class, what they enjoy and the skills and resources you have available. We've pulled together a selection of ideas below to get your minds working. Don't be afraid to ask everyone what they would like to do.

### Video gaming for good

**Estimate £250 - £1,000**

Use your gaming community to organise a 24-hour gaming marathon. Stream your games live on websites like twitch and have viewers donate whilst they're watching. Find out more at [www.justgiving.com/fundraising/ideas/gaming](http://www.justgiving.com/fundraising/ideas/gaming)

### Use your unique skills

**Estimate £100 - £1,000**

If you're part of a University group like a theatre company or sports team think about how you could organise a sponsored event that uses the unique skills of your members — like a play or a tournament.

### Candy Cane Sale **Estimate £50 - £200**

If it's good enough for Mean Girls it's good enough for ShelterBox. Buy some candy canes, set up a stall and get people to send a candy cane to their friends or crushes. You'll need a 'Santa' for delivery purposes and a good map of the campus.

### Jailbreak or Lost

**Estimate £2,000 - £10,000**

These are both sponsored hitchhike events, in teams of three get sponsored to either a) get as far away from you university as possible or b) get dropped in an unknown location and get back to your university the quickest. For both of these you will likely need the support of your student's union but you can raise a huge amount of money.

### T-Shirts

**Estimate £60 - £200**

Set up a people powered relay around your county, map out the route and set up legs which can be completed by running, cycling, swimming, or even space-hopping.

You'll need a committee to help organise everything and a support car to keep participants safe on the leg. If you're interested get in touch and we can help you set this up.

**Estimate £200 - £300**
