

WE INSPIRE

SPONSORED EVENTS AT YOUR PRIMARY SCHOOL

Getting teachers and students on board to complete challenges can bring your whole school together to raise funds. From shaving or dying your hair to long-distance walks, runs or swims there are lots of different sponsored challenges to choose from.

Off the grid

Estimate £200 - £400

Unplug for 24 hours and see how families cope without electricity. That means no TV, no phones, no laptops, no lights and no social media. Find out more at shelterbox.org/grid

Running

Estimate £250 - £1,000

Set a course distance and ask as many people as possible to take part in a sponsored run. Try encouraging classes or year groups to form a relay team to share longer distances.

Swimming

Estimate £200 - £800

Whether you have a school pool or live near the sea you can challenge pupils and teachers to swim a particular distance. You could even organise a fancy-dress dip with a theme like pirates or space.

Cycling

Estimate £200 - £800

Encourage pupils and parents to bring in their bikes and take part in a sponsored bike ride doing laps of the school playground or around your local area.

Silence

Estimate £30 - £100

Set students a challenge to stay silent for as long as possible. This is a really easy challenge to set up, doesn't need any specialist equipment and creates a lot of peace and quiet too!

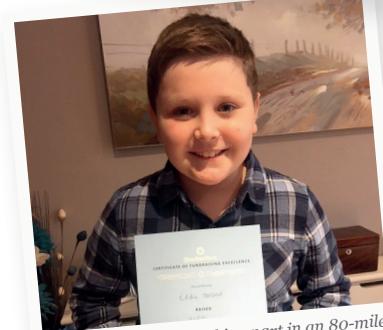

Camp out

Estimate £50 - £250

Get sponsored to spend the night under canvas. Putting up tents and arranging an outdoor sleepover is lots of fun. Ask everyone to bring food and drink and organise games, stories or even a quiz before bedtime.

Evie did a sponsored 5-mile walk with her beloved dog. She raised £350

Eddie has been taking part in an 80-mile walking challenge. So far he has raised a total of £472.68

Kingsurf Surf School held their 5th annual swell board showdown and raised an incredible £3,020

Don't forget to share your event with us.
