

we SUPPORT

When you've completed your activity and raised vital funds, make a donation to ShelterBox [here](#)

SUPPORT SHELTERBOX FROM HOME

Want to continue to support ShelterBox but not sure how? We're here to help. We've pulled together a selection of inspiring ideas to help you get started.

Virtual talk

If you're part of a group that's now meeting virtually, invite a ShelterBox speaker to join you. Hear more about the work we do around the world to shelter families after disaster and support our work by making a voluntary donation.

ShelterBox tour

Take a virtual tour of the Shelter visitor centre and find out what we do to support families after disasters strike. Support our ongoing work by making a donation as if you had visited in person. [Visit here.](#)

Virtual race

Get fit, connect and raise funds for ShelterBox. Set yourself a distance to cover in one day or over time and seek donations for ShelterBox. In our 20th anniversary year, why not take on 20 miles?

Virtual board game

Get together with friends, online, to share an evening of fun and games. Each person that wants to play makes a ShelterBox donation. Select a game that will work virtually. Our favourite is Trivial Pursuit.

Virtual bingo

Host a bingo night, email participants their playing cards, collect a donation to ShelterBox per entrant and enjoy a fun evening, taking a twist on the classic.

Virtual coffee morning

Embrace virtual connection through computerside coffee meetings. Donate what you would spend on coffee and cake to ShelterBox or challenge participants to a bake-off challenge, where everyone makes a donation to enter.

Virtual choir

Music is a great tool to bring people together. Why not use an online meeting tool to start a choir? Each rehearsal, collect donations for ShelterBox. You could take it to another level and challenge yourselves to find songs about shelter.

Online quiz

Hold an online quiz or quiz night and raise money for ShelterBox by charging per entrant. Make use on an existing quiz or create your own. At ShelterBox we love using the online tool kahoot!

Skill swap

There are lots of skills people will pay money for including learning another language, crochet and music lessons. Either skill swap with a buddy and agree to donate your fee to ShelterBox or ask for donations.

ShelterBox film night

Organise a movie night with friends and donate what would have been spent on popcorn and drinks to ShelterBox. Pick a film of your choice or one with a connection to ShelterBox's work such as Mediterranean, Dheepan or For Sama

Discover new ways to have fun and connect with your networks, whilst raising vital funds to shelter families after disaster

Don't forget to share your event with us.
