

# Game Cards

**Add some fun to your night by taking on our ShelterBox game cards!**

You will need: Paper plates, Cups, a Balloon, After Eight mints, Marshmallows, Blindfold, Household spices, materials from around your home and your phone.

## Home

You have 1 minute to find an item close by that reminds you of home, hide it from your group, they now have 5 questions they can ask to guess your item. Our tents provide families with a place they can call home.

## Get crafty

Split into teams and gather some materials from around your home, you have 5 minutes to make a mini shelter. Did you know that ShelterBox can provide a Shelter kit to help families repair their home? It often includes, tarpaulins, rope, a hammer and nails.

## Blindfold Challenge

Split into pairs, one person wears a blindfold and the other using verbal instructions must not allow you to bump into anyone! The Solar light is an important part of the aid that ShelterBox provides, it can provide light so that a family can eat dinner together.

## Sing-a-long

Sing the first line from a Christmas song and everyone else has to sing the next line. Bonus point for songs that relate to shelter/home.

## After eight anyone?

Lean back, place an after eight chocolate on your forehead, can you shimmy it down to your mouth without using your hands? Enjoy! Our teams often have to navigate 'sticky' situations getting our aid to the families that need it.

## Slam Dunk

Split into teams and using Christmas wrapping paper or sweet wrappers, roll them into balls and find a cup. Get throwing, the team with the most dunks wins. Our teams often have to work under pressure – who can get the most in 1 minute.
